

The Valve Museum

Updates March 2019

Thanks to Stig Comstedt for information on Majestic valves and the details of the Radio News July 1931 magazine. A full pdf copy can be found in timeline with extracts in exhibit G-51.

Thanks to Mark Mallison for images of valves new to the museum.

It seems a small update, but 220Mb of images and pdfs have been added this month.

Added 35 new exhibits taking the count from 5535 to 5570

Added X-Ray Tubes to the classified indexes

Added 1 timeline feature
time-189 – Radio News July 1931

Added 1 vintage advert
Adv-1485 – De Forest 451 (aka 51) advert
