

# The Valve Museum

---

## Updates October 2019

Exhibits from Peter Bates GM4BYF and Bill Dacey G1OLQ.

Mark Mallison's photographic exhibits are now in a separate collection. With luck I have changed all the hyperlinks.

A new photographic donation from Joe Gruber starts this month. Joe has acquired some of the early General Electric collection of Gerald Tyne. More details and valves to come.

Added 80 new exhibits taking the count from 5875 to 5950
